#### DIVISION OF TRANSPORTATION

#### Functions and Responsibilities

The division provides bus transit services for the MARTA service area.

A security service is provided for on the Authority's buses. The division provides the security for the department's three garages, grounds and equipment and the Equitable Building. Pursuant to providing security this division maintains liaison with school officials, police departments and the courts.

The division handles citizen suggestions and complaints regarding transit operations. All fare box revenues are collected and transported by this division, also a 24-hour schedule information service is provided.

The division conducts training programs for operators, supervisors, dispatchers, and other employees. This division provides for the installation and monitoring of industrial and public safety procedures. A continuous program of safety training for operators is conducted. Accidents involving employees or vehicles of the Authority are investigated by this division with the assistance of the Division of Claims, to determine their cause, the existence of safety violations, and corrective and preventive action to be taken.

rage

This division operates the Authority radio system. It also develops and maintains the divisional and personnel records.

Approved by:

Alan F. Kiepper General Manager
